Total Pupil Enrolment=454

Return Rate=87%

Additional Parental Comments written under "Any other comments":

- All staff from EYFS to Year 6 work very hard with the children to help them achieve their best daily
- St Antony's does a great job at developing it's children's confidence and helps them shine through all the enrichment programmes
- There are so many clubs, programmes and events; Every child can find one that's suits them and this helps us as working parents
- We need more club spaces to facilitate more children in some of the more popular clubs
- The Head Teacher knows the children and families and genuinely cares about everyone
- My child entered the school from the Portugal unable to speak or read English well and now speaks the language very well. He has special lessons out of class and at Lunch times to help him in yr6
- My son is High Needs and he is given great support with his learning every day in EYFS
- The school staff and children are warm and welcoming and made my daughter who is from Sweden feel at home.
- I love Class Dojo- it really helps parents and staff to communicate directly on issues that may arise.
- I would like to join the PTFA. Can we advertise for new members?
- Parents can always talk with the Head and staff on any matter- my daughter in KS1 did not get into cheerleading club this year but she is now happy in Drama Club
- School Ping is not easy to sign up to and I went to the office and got help with it-thanks to the office staff.
- St Antony's is the best! I introduced the school to 3 new parents whose children are now enrolled in the school.

We conduct Parent Surveys on our Parents' Consultation Evenings annually because strategically, we can canvas the largest majority of parents possible –ensuring a broader scope of views are captured
