This Term We Celebrate The Virtues and Values Of: **EASTER**

"The Essence Of God In Us...Is Love!"Serenity

ALLELUIA! HE IS RISEN!

God, give us eyes to see
the beauty of the Spring,
And to behold Your majesty
in every living thing,

Help us to see in little lacy leaves
and in every budding flower
The Hand that rules the universe
with gentleness and power,

May this joyful Easter renewal
that Spring lavishly imparts
Awaken faded flames of faith
lying dormant in our hearts,

So give us ears to hear, dear God,
the Springtime song of birds
With messages more meaningful
than our often, empty words,

Let's tell worried human beings
who are lost in dark despair
'Be like us birds, and do not worry
for God has you always in His care.

By Helen Steiner Rice

"Actions speak louder than words; let your words teach and your actions speak. We are full of words but empty of

...Actions.
