From The Head Teacher's Desk This week our Virtue and Value Of The Week is: SELF-DISCIPLINE

"The ability to speak is a gift from Godour challenge is to have the self-discipline to always make what we say reflect the giver of this powerful gift" Serenity

One of the greatest qualities that we should develop in our children is the ability to apply self-discipline which walks hand in hand with self-control. The book of James reminds us how important it is to have this quality in our lives as the benefits to us are the development of : Tolerance, Temperance, Balance, Love, Compassion, and Forgiveness all of which brings us True Joy!

Self-Discipline is our SUPER POWER as human

beings because it is in exercising this power that we have the ability to override our basal instincts and rise above all other creation that operate on instinct. Self-Discipline is the most awesome gift that we have been given by God...it is another name for: WILL POWER! The more we exercise it and utilise it...the stronger it becomes. Let's exercise more self-discipline. A. Moore

Always Remember..... SELF- DISCIPLINE is like a magical power that makes each of us truly SUPER HUMAN!
