"LEARNING TOGETHER IN GOD'S LOVE"

PE And Sports Premium Report 2022-2023

St Antony's Catholic Primary School uses its PE and Sports Premium Funding to further develop and add greater quality of provision to the PE and Sports Curriculum and activities that the school already offers. Through this provision, we endeavour to ensure that improvements made to the quality of PE on offer currently will benefit the present cohort and those pupils who will join our school in future years. Schools receive this funding to support all eligible pupils and diminish the attainment gap between them and their peers. During the 2022-23 academic year our school will receive will receive £19,400. These funds are instrumental towards aiding the school with further developing pupils skills and abilities in the range of sports on offer. The premium is being used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2021 to 2022 academic year, to encourage the development of healthy, active lifestyles. Additionally to use PE, Sports and Games to teach the principles and life skills that engaging in all sporting activities teaches all such as:

- **Good Sportsmanship**- how to win with pride and lose with grace-*(Usain Bolt-Sprinter)*
- **Fairness**-ensuring that we learn to play by the rules and in line with regulations- *(Simone Biles-Gymnast)*
- **Character**- being able to choose what is right and good and never adopting a 'win-at-all cost attitude' which may place one's self and others at risk' *(Dame Tanni Grey-Thompson-Paralympian)*
- **Aiming for excellence**- giving 100% effort and never settling for less than one's best *(Sir Alex Ferguson-Football Manager)*
- **Resilience**- 'having an attitude and approach which may see us falling but always rising back to the challenge' (Muhamad Ali)

St Antony's aspires for all pupils to acquire skills, first-hand experience and knowledge of a broad range of sports and games which enables them to sustain and maintain a peak level of fitness. We aim to develop a good range of athletes at the beginners, intermediate and elite levels, that are confident in developing and transferring their use of the fundamental skills inclusive of: agility, flexibility, balance, space awareness, hand -eye coordination, directionality and self-awareness which will enable them to excel at a wide range of sporting genres. Our vision is for PE standards to be at the highest that it can possibly be with a good range of sports being taught and played in both

PE classes and clubs during and after school inclusive of: Hockey, Basketball, Gymnastics, Cheerleading, Dance, Karate, Handball, Tag Rugby and Football, Tennis (Court and Table), Badminton, Swimming, Athletics -Track and Field (Discuss, Javelin, Long Jump), Netball, Cricket and Rounder's. During Lunch and play times pupils play using a range of resources such as skipping ropes, space hoppers, mini-bean bags and buckets, ball-games such as Hot Potato, catch and toss, softball, baseball and bowls. Lunch and Playtime games such as hoola-hooping, bowling with pins and balls, giant chess and drafts, mini-golf, hopscotch, tag and circuit training also assist with actively engaging pupils.
