**MAT Questions from Staff** and answers given were as follows:

- 1. Will it be Newham who will be choosing schools to be moderated or the MAT?**
  - The Deanery schools in Newham already have an internal moderation process involving all Catholic Schools which runs termly.
  - The LA's Moderation process is a 3 year cycle for KS1 and KS2 for all schools across Newham
- 2. If a school is due an Ofsted inspection, but converts to academy status at the time the inspection is due, will the Ofsted inspection be deferred upon becoming an academy/ member of a MAT?**
  - Usually, it is 2 years after becoming an academy before an Ofsted visit. Ofsted do not inspect schools that are closing down/converting.
- 3. Will our Pay and Conditions Change?**
  - The TUPE system will apply- two year cycle but OLOG will continue to apply the current pay conditions
  - A letter will go out to all staff and Unions outlining details regarding this
  - TUPE process will state what Academies have the power to do
  - Our Lady of Grace will keep current pay and conditions for teaching and support staff
- 4. How will the TRUST deal with over subscription?**
  - There is an over-subscription criteria in our shared Admissions Policy –see OLOG website
  - Investigate what each school is doing to attract pupils
  - A balance has to be reached

  - No, the OLOG model does not have a CEO (Chief Executive Officer)
  - We have a CAO (Chief Accounting Officer )
  - Leadership of the MAT will include all the Heads/Gov. Body of each school in MAT
  - The School's Governing Body will remain in place – with same level of accountability
  - Everything will be reported to the Trustees (trustees drawn from different fields within the Church needed in the MAT)
